

Dick & Edith Hugoniot

The Hugoniots have just move to Singapore to minister at Grace Baptist Church. Dick will be Missions Pastor and Edith will work with Bible Education by Extension, helping pastors' wives in developing countries gain education and skills for their work.

The Hugoniots have been supported by this congregation for over 43 years, and even though our financial support ceases since they are on the churches payroll, we continue to support them in prayer and a close personal relationship.
